PRESS RELEASE

CE2023/01

January 23, 2022

MEXT Scholarship for 2023 Teachers - Training

The Ministry of Education, Culture, Sports, Science and Technology, better known as the “MEXT” of Japan, offers Scholarship to Tongan teachers who wish to conduct research on school education at designated Japanese universities as “Teachers - Training”

MEXT now accepts applications from Tongan teachers who satisfy the following qualifications and conditions. The scholarship aims to foster human resources who will become bridges of friendship between Tonga and Japan through study in Japan and who will contribute to the development of both countries and the wider world.

Applicants must return to Tonga and resume their work immediately after the end of the scholarship period.

Requirements

(1) Academic and Career Background: Applicants must be graduates of universities or teacher training schools and have worked as teachers at primary/secondary educational institutions or teacher training schools (excluding universities) in Tonga for more than five years in total as of October 1, 2023. In-service university faculty members are not eligible.

(2) Age: Applicants must be born on or after April 2, 1988.

(3) Japanese Language Ability: Applicants must be keen to learn Japanese. Applicants must be interested in Japan and be keen to deepen their understanding of Japan after arriving in Japan. Applicants must also have the ability to do research and adapt to living in Japan.

(4) Other requirements: There are some other requirements the applicants must meet. Please refer to the following website to find more information.

Study in Japan:
